A PALE-FACE GIRL

may be almost safely set down as wanting red in her blood. If subject to dizziness, fainting, shortness of breath on slight exertion, no doubt remains.

To want red in the blood is to fail of the good of one's food. Her food is not nourishing her. She needs a change.

The easiest change she can get, and one of the best, is Scott's emulsion of cod-liver oil.

It gives her the upper hand in the contest—her food has the upper hand now—she is pale no more.

FRANCIS MURPHY TEMPERANCE CLUB ORGANIZATION FORMED

AT THE MEETING of the Murphy Club which effected some radical changes of organization the following charter of The Francis Murphy Temperance Club Association was adopted:

ARTICLE I—NAME.

Section 1. This association shall be known as the Francis Murphy Temperance Club Association.

ARTICLE II—MOTTO.

Section 1. The motto of this association shall be: "With malice toward none and charity for all."

ARTICLE III—OBJECTS AND MEMBERS.

Section 1. The objects of this association are: (1) To afford all of those who have signed the Francis Murphy Temperance pledge the means of social intercourse; and (2) its members an opportunity of helping one another, by all lawful means, in brotherly love and mutual sympathy, to keep the letter of said pledge, which is as follows: "I, the undersigned, do pledge my word of honor, God helping me, to abstain from all intoxicating liquors as a beverage, and that I will by all honorable means encourage others to abstain"; and (3) to encourage all those who, although not total abstainers from intoxicants, believe in the broad principles of practical temperance, to practice habits of self-control and sobriety; and (4) to encourage young men and women to cultivate habits of temperance and total abstinence from intoxicants; and (5) to organize temperance clubs, to be styled Francis Murphy Clubs No. 1, No. 2 and so on in order as organized, in the Territory of Hawaii; and (6) generally to promote the cause of temperance in the Territory of Hawaii.

Section 2. All persons who have signed the Murphy Temperance pledge shall, by the act of signing said pledge, be members of this association and entitled to all membership privileges in any Francis Murphy Club in the Territory of Hawaii without being required to pay any initiation fee, and if a stranger, or financially unable, may, at his option, be exempt from the payment of dues for a period of sixty days.

Section 3. All persons believing in the broad principles of practical temperance, whether total abstainers or not, who do not desire to take the pledge, are eligible to membership in all Francis Murphy Clubs by paying an initiation fee (the amount to be fixed by the Board of Trustees) and the regular monthly dues of the club of which he shall become a member.

Section 4. All persons subscribing to the cause of temperance, making special donations or subscribing to the general fund, shall be eligible to honorary membership, as follows: Persons subscribing \$10, for a period of six months; \$25, for one year; from \$25 to \$250, for as many years as the amount subscribed is divisible by 25; \$250, or over, life membership.

Section 5. This association shall be essentially non-political (except where the cause of temperance is affected), and non-sectarian in character, and no one shall be debarred from membership on account of race, color, previous condition, religious or political views.

ARTICLE IV—OFFICERS.

Section 1. The officers of the association shall consist of a president, secretary and treasurer (in one person), auditor, two directors and as many honorary vice presidents as there may be clubs organized, except that any two or more clubs may, at their option, elect the same person as their vice president.

Section 2. The president, secretary and treasurer, auditor and directors shall constitute a board of trustees, in all five members, which shall manage the affairs of the association.

ARTICLE V—ELECTIONS AND ORGANIZATIONS.

Section 1. Organization shall be effected by the election of a president, by the signers of the Murphy Temperance pledge and the patrons of Francis Murphy Hall in mass meeting assembled, who shall have the power to appoint the first board of trustees and organize Francis Murphy Club No. 1.

Section 2. This board of trustees shall in one year, or not later than October 1, 1902, call a Territorial convention, whose membership and representation shall be based upon the membership of all Francis Murphy Clubs in the Territory of Hawaii, for the purpose of electing officers and trustees for the ensuing year and for the purpose of promulgating such laws, regulations or measures as may be required to further the cause of temperance and the good of the association; and all acts of this convention shall be binding upon the board of trustees and all Francis Murphy Clubs in the Territory of Hawaii.

ARTICLE VI—DUTIES AND POWERS OF TRUSTEES.

Section 1. It shall be the duty of the board of trustees as soon as practicable to obtain a legal charter for this association.

Section 2. It shall be the duty of the board of trustees to organize Francis Murphy Clubs in all communities or sugar plantations in the Territory of Hawaii, where the people thereof desire and are willing to subscribe to the terms of this charter.

Section 3. It shall be the duty of the president to preside at all meetings and to manage the affairs of this association subject to the approval of a majority of the Board of Trustees or to delegate this power of management to a competent superintendent.

Section 4. It shall be the duty of the secretary and treasurer to keep all accounts and be the custodian of all the funds of the association and of all the clubs in the Territory of Hawaii, of which he shall be the common treasurer. He shall keep a separate account with each club which shall show at all times the balance due said club and shall pay all drafts made against said funds by the local club secretaries for amounts that shall have been duly appropriated by the boards of directors of said clubs and approved by the board of trustees.

Section 5. It shall be the duty of the auditor to examine and report upon the condition of the accounts of the secretary and treasurer as required by the board of trustees.

Section 6. The board of trustees shall have power to raise funds and promote enterprises, acquire, lease, hold, sell or otherwise dispose of real and personal property, build houses for its purposes, conduct business in connection there-

with, and otherwise expend the funds of the association for the benefit of its members and the advancement of the cause of temperance, consistent with the spirit of this charter.

Section 7. Title to the property of all the clubs in the Territory of Hawaii shall be vested in the board of trustees, who shall have power to disband or reorganize any club in the Territory, which shall cease to be self-supporting, and sell its property, the proceeds of which shall revert to the general fund; and the board of trustees shall have power to remove any club secretary for cause, and order a new election to fill the vacancy, and it shall have power to disband any club or cancel any lease of privileges made by it if the conduct of said club shall violate the spirit of this charter.

ARTICLE VII—CLUB ORGANIZATION.

Clubs may be organized in any community in the Territory of Hawaii in the following manner: At the request of one or more citizens of said community, the president or secretary shall issue a call for a mass meeting in said community, which meeting shall elect a secretary and five directors, whose duty it shall be to make a canvass for both regular and honorary memberships and draft by-laws for the government of said club. Upon a satisfactory showing of the results of said canvass and approval of said by-laws the board of trustees shall issue to said club a certificate of charter giving permission to use the name "Francis Murphy Club," numbered in order of its creation; and the board of trustees, upon application, may appropriate money from the general fund to assist said club in the purchase of its property providing there are funds on hand not otherwise appropriated available for this purpose.

Section 2. During the first year of the existence of this association this charter may be amended by a unanimous vote of the board of trustees.

A YOUNG LADY'S LIFE SAVED.

At Panama, Colombia, by Chamberlain's Colic, Cholera and Diarrhoea Remedy.

Dr. Charles H. Utter, a prominent physician of Panama, Colombia, in a recent letter states: "Last March I had as a patient a young lady sixteen years of age, who had a very bad attack of dysentery. Everything I prescribed for her proved ineffectual, and she was growing worse every hour. Her parents were sure she would die. She had become so weak that she could not turn over in bed. What to do at this critical moment was a study for me, but I thought of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and as a last resort prescribed it. The most wonderful result was effected. Within eight hours she was feeling much better; inside of three days she was upon her feet, and at the end of one week she was entirely well." Japanese Nurses.

A word of warning is needed for mothers who employ Japanese women as nurses for their children. During earlier infancy it makes no difference, but when a child reaches the formative period of its mind and disposition, which is often before it is a year old, the harm is done. The Japanese women are kind and gentle, but their minds are negative, and the average white child soon learns to dominate its nurse and becomes rude, impolite and selfish, as well as impudent to its nurse and to its parents. The black "Mamma" of the South was different, for she could check and control the child, a power not possessed by Japanese women.—Maui News.
